

A Dr. Maks Plotnikov (411 m) – Okić (499 m)

Do Planinarskog doma moguće je doći automobilom iz Samobora, preko Konščice do Klaka, a u zaselku Nagličić kod križa nastaviti prvim odvojkom do doma, 1 10 km od Samobora. S terase doma pruža se lijepi pogled na obližnji Okić grad. Od doma pod Okićem ima 10 minuta uspona sigurnom stazom, djelomično usječenom u stijeni, do ruševina Okić grada na samom vrhu. 2 U dom se treba vratiti istim putem. Osim uspona na sam vrh, moguća je i lagana šetnja poučnom stazom Okićnicom, kružnom stazom oko Okić grada. Staza kreće kod planinarskog doma i obilježena je s 10 obavijesnih ploča. Može se proći za 2 sata lagane šetnje.

The mountain lodge can be reached by car from Samobor. You will pass through the village of Konščice and the village of Klaka. When you reach the crucifix in the hamlet of Nagličić take the first fork leading to the mountain lodge, 1 10 km from Samobor. The mountain lodge terrace provides a beautiful view of the nearby Old Town Okić. The ruins of the Old Town Okić 2 at the top of the hill can be reached from the mountain lodge in 10 minutes by walking up a safe path, partially cut into rocks. You can return to the mountain lodge following the same route. In addition to climbing to the peak, you can also take an educational path Okićnica, a circular path around the Old Town Okić. The educational path starts at the mountain lodge and has 10 information boards. It makes a nice two-hour stroll.

C Samobor (159 m) – Veliki Dol (530 m) – Oštrc (752 m)

Početna točka uspona je Samoborski muzej 5 odakle šetnja uz potok Gradnu vodi do Restorana Gabreku 1929., a potom lijevo, prateći planinarsku markaciju, u ulicu Taborec, i dalje ulicom Rudarska draga. Iza parkirališta skrećemo desno, a potom lijevo u ulicu Čudomerščak. Ovdje započinje uspon po šumskom putu do naselja Palačnik gdje staza ponovo izlazi na asfaltnu cestu, skreće lijevo kroz naselje a kod posljednje kuće ponovo ulazi desno na šumski put. Prateći markaciju dolazi se do križanja planinarskih puteva 6 gdje lijevo vodi put za vrh Veliki Črnc, a desni put do Planinarskog doma Ivica Sudnik 7 na Velikom Dolu (2 sata od Samobora). Nakon prolaska planinarskog doma, staza dolazi na križanje planinarskih puteva gdje oba smjera vode na Oštrc 8 za 30 ili 40 minuta. Od Planinarskog doma Željezničar, moguć je i uspon na sam vrh, stazom koja od doma vodi 10 minuta strmo uz brdo. Za povratak možete također izabrati jedan od dva puta.

The starting point is the Samobor Museum 5 from where the promenade along the Gradna Creek leads to Tavern Gabreku 1929. Then one should turn left, following trail markers, into Taborec Street and proceed further on along Rudarska draga Street. Behind the parking lot, turn right and then left into Čudomerščak Street. The ascent along a forest trail starts from there and reaches the settlement of Palačnik where the trail meets an asphalt road, turns left and passes through the settlement, and after the last house it again turns right into the forest. Following trail markers, one reaches an intersection 6 of mountain paths. The left path leads to the peak Veliki Črnc, and the right

path to the mountain cottage Ivica Sudnik at Veliki Dol (2 hours from Samobor). 7 After passing the mountain lodge, the path again reaches an intersection from which both routes will take you to Oštrc in 30 or 40 minutes. 8 From the mountain lodge Željezničar, the peak itself can be reached in 10 minutes taking a path up a steep slope. There are also two options for the descent.

D Mali Lipovec / Šoićeva kuća (373 m) – Japetić (879 m)

Polazište ove staze je Šoićeva kuća 9 (zatvorena) do koje se može doći automobilom, iz Samobora prema Smerovišću, a potom i Malom Lipovcu. Parkiralište je s lijeve strane ceste i na njemu je moguće ostaviti automobil. Do Šoićeve kuće može se doći i autobusom (linija 144 Samobor – Smerovišće – Lipovec). Za Japetić vode dva puta, uz preporuku desnog uspona preko livada. Od autobusne stanice i male kapelice uspon kreće asfaltnim putem, strmo uz brdo, između obiteljskih kuća i vikendica. Nastavlja šumskim preko livade Leskovice, vodi strmo uz brdo do visoravn. Dalje ide širokom stazom, zatim kroz crnogoričnu šumu do odvojka 10 na vrh Japetića na kojem se nalazi piramida 11 s koje se pružaju lijepi vidici u svim smjerovima. Do piramide ima sat i 30 minuta hoda, a za svega 20 minuta od vrha Japetića možete doći do Pl. doma Žitnica 12 na Japetiću. Povratak na početnu točku moguć je istim putem.

The starting point of this route is at the mountain lodge Šoićeva kuća 9 (closed) which can be reached by car, from Samobor toward Smerovišće, and then toward Mali Lipovec. The parking lot where you can leave your car is on the left. Šoićeva kuća can also be reached by bus from the Samobor Bus Station (line 144 Samobor – Smerovišće – Lipovec). There are two routes leading to Japetić, the right one going up through meadows is recommended. From the bus stop and a small chapel, an asphalt road goes steeply up the hill flanked by family and weekend houses. It turns into a forest path, and leads across the meadow Leskovica and steeply up the hill until it reaches a plateau. A wide path leads further, through an evergreen forest up to a stretch 10 reaching the peak Japetić with a pyramid 11 providing a stunning view in all directions. Reaching the pyramid takes an hour and a half on foot. And from the peak Japetić you can reach the moun-

tain lodge Žitnica 12 at Japetić in only 20 minutes. The same route takes you back to the starting point.

E Smerovišće (246 m) – PD Cerinski vir (331 m) – Cerinski vir (335 m)

Do Cerine je moguće doći automobilom, iz Samobora prema Smerovišću, do izletišta „Dumiću“, 13 nakon kojeg se 30-ak m dalje desnim odvojkom ceste skreće prema Šipačkom bregu do prvog oštrog desnog zavoja (manje od 1 km ili 20 min pješice iz Smerovišća ili autobusnom linijom 144 Samobor-Smerovišće-Lipovec). Uz cestu je proširenje za parkiranje automobila. Lijevi odvojak uske makadamske ceste vodi do Planinarskog doma Cerinski vir za 10 minuta. 14 Svega 100 metara prije doma, lijevo markiranom stazom niz brdo do potoka te uz potok za 15 minuta stižete do slapa Cerinski vir, najslikovitijeg slapa Samoborskog gorja, visokog 10 m. 15 Slap se nalazi u uskoj dolini Javoračkog potoka, a osobito je lijep u proljeće i jesen kada je potok bogat vodom. Povratak do početne točke je istim putem. * Vrijeme uspona od zavoja do slapa je 30 min, iz Smerovišća 50 min.

The hamlet of Cerina can be reached by car, going from Samobor towards Smerovišće. Approximately 30 meters after the outing place „Dumiću“, 13 one should take the right fork in the road to Šipački breg up to the first sharp right turn (less than 1 km or a 20-minute-walk from Smerovišće / Bus line 144 Samobor-Smerovišće-Lipovec). There is a widening next to the road where you can park your car. The left fork of the narrow macadam road takes you to the mountain lodge Cerinski vir 14 in 10 minutes. Only 100 metres before the mountain lodge, the left marked path down the hill up to the brook and then further along the brook will take you in only 15 minutes to the 10-meter-high waterfall Cerinski vir, 15 the most picturesque waterfall of the Samoborsko gorje Hill Range. The waterfall is located in the narrow valley of the brook Javorački potok, which is particularly beautiful in spring and autumn when it is rich in water. The same route takes you back to the starting point. * Ascent duration from the curve to the waterfall is 30 minutes, and 50 minutes from Smerovišće.

F Scout, Koretići (360 m) – Noršička Plešivica (728 m)

Od Samobora do Koretića vodi cesta preko Bregane, Grdanjaca, Gabrovice i dolinom potoka Bregana, do planinarske kuće Scout. 16 Planinarskom stazom koja počinje iza same kuće izlazi se na makadamsku cestu prema Noršić Selu. Nakon stotinjak metara staza skreće lijevo u šumu, na označeni planinarski put, da bi nakon 1 km ponovo izašla na makadamsku cestu prema Noršić Selu. Nakon prolaska Noršić Sela, na samom ulazu u zaselak Kapelišće, 17 skreće se lijevo na šumski put prema Noršičkoj Plešivici. Prateći planinarsku markaciju preko livada i šumaraka nakon 1,5 km dolazi se na Noršičku Plešivicu. 18 Na vrhu je postavljen stol s klupama za odmor i boravak u prirodi. Noršička Plešivica je zaobljeni travnati vrh, a zahvaljujući svom izdvojenom položaju i livadi na vrhu, izvanredan je vidikovac. Povratak je istim putem.

A road from Samobor to Koretić leads via Bregana, Grdanjci, Gabrovica and over the valley of the brook Bregana to the mountain lodge Scout. 16 The mountain path which begins after the mountain lodge Scout takes you to the macadam road to Noršić Selo. After around one hundred metres, the path turns left into the forest to the marked mountain path, and after 1 km it again enters the macadam road to Noršić Selo. After passing through Noršić Selo, at the entrance to the hamlet of Kapelišće, 17 you should turn left into the forest path to Noršička Plešivica. 18 Noršička Plešivica is reached after 1.5 km following the trail markers across meadows and groves. There is a table with benches at the top so you can relax and enjoy nature. Noršička Plešivica is a round grassy peak, and due to its isolated location and the meadow at the top, it makes an excellent belvedere. The return is along the same route.
